

## More about 12 Seeds Ministry Fund Grants

Some ministries want to incorporate *12 Seeds* character and relational life-skills training but don't have the funds to buy the resources. They wish to provide *12 Seeds* training for their staff members, volunteers, and the people they serve. To help 501c3 ministries purchase *12 Seeds* resources, the 12 Seeds Ministry Fund was established at the National Christian Foundation in 2007.

The National Christian Foundation is based in Atlanta and was founded in 1982 by Larry Burkett, Ron Blue and Terry Parker. They now have over 25 offices around the country.

The 12 Seeds Ministry Fund is made up of donations from people who want to see the *12 Seeds* planted and cultivated in the lives of many more individuals, families, groups and communities. Over the years many smaller as well as larger ministries have received grants for *12 Seeds* resources. To see a list of some of them, click on this link:
