Red Wing Prison Hosts two 12 Seeds Workshops:

On November 20, we will present one 12 Seeds Workshop for the juvenile inmates (most of the inmates at this Minnesota State prison are juveniles). A separate workshop will follow for the adult inmates. Attendance is voluntary and each attendee will be given a 12 Seeds book and also the personal journal-workbook. Presenters will be Pastor Dwight Anderson, Executive Director of Prison Mission Association, and Norm Andersen with 12 Seeds. The 12 Seeds will be presented as "12 Skills for a Better Life." Also, an introduction will be given to the Bible correspondence course offered by Prison Mission.

New 12 Seeds book on sharing God's (agape) love

is planned for release in the first half of 2019. The book, as yet untitled, is planned to be 64 pages plus a full-color cover like our main book which was originally published in 2004. The new book will be perfect (glue) bound, like our main book, so that it can be used "behind the walls" in jails and prisons. Like our Journal-Workbook, it can be used as a supplement to our main book, especially for ministries that have been asking for additional materials. *Just imagine how more of God's*

love could flow if more people share His love by practicing the 12 Seeds in daily life!

We are very thankful for all that God has been doing with the 12 Seeds in 2018. We are grateful for the many people who have provided prayers, encouragement and financial help. Click on some [Highlights so far in 2018](#).
