WHEN PARDON GROWS

Pardon does so much for interpersonal relationships! It releases people to go forward. It acknowledges that we all do things that harm other people, sometimes greatly. And yet we can forgive and move on. Pardon frees us from bitterness and resentment.

SOME OF THE BLESSINGS WHEN PARDON GROWS:

- People receive the blessing of forgiveness.
- Reconciliation, if needed, is possible.
- Stress decreases as peace is restored.
- Relationships continue to develop.

Have mercy on me, O God, according to your unfailing love; according to your great compassion blot out my transgressions.

– Psalm 51:1
